PASS: OES FOR GLASOE, EPA FOR PORTER, THOMPSON

E.O. 11652: N/A

TAGS: SENV, OECD

SUBJECT: OECD ENVIRONMENT COMMITTEE - 15TH SESSION

1. SUMMARY. THE 15TH SESSION OF THE OECD ENVIRONMENT COMMITTEE, HELD IN PARIS JUNE 11-13, CONSIDERED A VARIETY OF SUBJECTS, RANGING FROM URBAN ISSUES TO WILD-LIFE SAMPLING. US DELEGATION LED BY HERTER. AS AT THE 14TH SESSION, CONSIDERABLE TIME WAS DEVOTED TO DEBATE OVER "STRUCTURE AND WORKING METHODS" OF THE COMMITTEE. IN THE END, HOWEVER, CONSENSUS WAS REACHED ON MOST IMPORTANT ASPECTS OF THE ISSUE. INNOVATIVE JOINT BUREAU CONCEPT ACCEPTED (ALBEIT WITH RESERVATIONS BY SPAIN AND TURKEY AND TURKEY), AND STRONG ENDORSEMENT GIVEN TO RETAIN THE SECTOR GROUPS. ALSO, THE POSSIBILITY OF OCCASIONAL USE

UNCLASSIFIED

PAGE 02 OECD P 15490 01 OF 04 161704Z

OF A "LEAD COUNTRY" APPROACH WAS AGREED, AND THE US AND

CANADA OFFERED FIRST PRACTICAL APPLICATION OF THE IDEA IN RELATION TO THE FLUOROCARBON/OZONE ISSUE (SEE SEP TEL).

2. OTHER SUBJECTS INCLUDED: ENERGY AND THE ENVIRONMENT, WHERE THE SIX TASK FORCE PROJECTS WERE ACCEPTED WITH MINOR MODIFICATION, AND IT WAS AGREED TO LEAVE THE 1976 PROGRAM FLEXIBLE UNTIL NOVEMBER; AND PROGRAMS OF THE AIR AND WATER MANAGEMENT GROUPS, WHERE THERE IS A CLEAR CONSENSUS ON THE VALUE OF THE VARIOUS PROJECTS, BUT STILL AN UNRESOLVED ISSUE WITHIN THE SECRETARIAT; AND TRANSFRONTIER POLLUTION, WHERE PRIORITIES WERE ESTABLISHED AMONG THE THREE AREAS FOR "CONCRETE" ACTIVITIES OF THE TFP GROUP. NORWAY MADE MAJOR PRESENTATION ON LONG RANGE TRANSPORT ISSUE. THE DATE FOR THE NEXT SESSION OF THE COMMITTEE WAS SET FOR NOVEMBER 12-14. END SUMMARY.

3. THE GREATEST AMOUNT OF TIME DURING THE THREE-DAY SESSION WAS DEVOTED TO CONTINUATION OF DISCUSSION ON THE STRUCTURE AND WORKING METHODS OF THE COMMITTEE. THE BASIS FOR THE DISCUSSION WAS SECRETARIAT'S PAPER ON PROPOSED IMPROVEMENTS (ENV(75)20) WHICH HAD BEEN CIRCULATED IN ADVANCE OF THE SESSION. SEVERAL COMMITTEE ROOM DOCUMENTS ON VARIOUS ASPECTS OF THE ISSUE WERE ALSO CONSIDERED. MOST DELEGATIONS WERE IN GENERAL AGREEMENT WITH THE MAIN POINT OF THE PAPER, ALTHOUGH THERE WAS CONSIDERABLE DEBATE ON DETAILS. US DELEGATION EARLY IN THE DISCUSSION STRESSED POINT THAT "STRUCTURE" PER SE WAS NOT MAIN ISSUE, BUT INADEQUATE COMMUNICATION AND COORDINATION. THE US DEL ARGUED THAT RESHAPED ORGANIZATIONAL CHARTS WOULD NOT IN THEMSELVES ASSURE THE COMMITTEE'S PROPER ROLE IN THE OECD AND RESPECT IN MEMBER COUNTRIES, WHICH WOULD ONLY BE ACHIEVED BY THE EXCELLENCE OF COMMITTEE'S WORK. THE US THEME OF "EMPHASIS ON EXCELLENCE" WAS PICKED UP MANY TIMES BY OTHER DELEGATIONS DURING THE DEBATE AND UNDOUBTEDLY HELPED TO FOCUS DISCUSSION ON THE ESSENTIAL ARGUMENT.

4. SEVERAL POSITIVE ELEMENTS EVOLVED OUT OF THE DIS-
UNCLASSIFIED

UNCLASSIFIED

PAGE 03 OECD P 15490 01 OF 04 161704Z

CUSSION. THERE WAS ALMOST UNANIMOUS AGREEMENT THAT THE EXISTING SECTOR GROUPS (HENCEFORTH ONLY TO BE CALLED "GROUPS") WERE VITAL TO THE FUNCTIONING OF THE COMMITTEE AND WOULD BE RETAINED (THIS INCLUDES THE GROUP OF ECONOMIC EXPERTS). AT THE SAME TIME, THERE WILL HENCEFORTH BE MUCH MORE EMPHASIS ON THE "PROJECT APPROACH". THIS RECOGNIZES THAT MANY ACTIVITIES DO NOT FALL NEATLY INTO ONE OR ANOTHER OF THE EXISTING GROUPS'

MANDATES, AND EITHER WILL REQUIRE THE ESTABLISHMENT OF A NEW "HORIZONTAL" GROUP OR SOME OTHER FORM OF ACTIVITY AMONG EXISTING GROUPS. THE ENERGY AND ENVIRONMENT FIELD IS A PRIME EXAMPLE OF THIS. TRANSFRONTIER POLLUTION IS ANOTHER.

5. CONCERNING THE RECOGNIZED AND INCREASING NEED FOR MORE COORDINATION AND COOPERATION AMONG GROUPS AT THE PROJECT LEVEL, THE AGREEMENT IN PRINCIPLE TO INSTITUTIONALIZE THE JOINT OR COMBINED BUREAU MECHANISM WAS A MAJOR STEP FORWARD. (THE IDEA, IN

RESUME, ENTAILS PERIODIC MEETINGS OF THE BUREAU OF THE ENVIRONMENT COMMITTEE WITH THE CHAIRMEN OF THE SEVERAL SECTOR AND OTHER SUBSIDIARY GROUPS IN ORDER TO

FACILITATE MORE MEANINGFUL COORDINATION OF ACTIVITIES, BETTER RESPONSIVENESS OF SUB-GROUPS TO THE ENVIRONMENT COMMITTEE, AND AN EFFECTIVE MULTI-DISCIPLINARY APPROACH WHERE APPROPRIATE.) THIS LAST POINT INCLUDES EFFECTIVE ECONOMIC INPUT AT ALL STAGES OF A PROJECT'S EVOLUTION - A POINT STRESSED BY MANY DELEGATIONS. THERE ARE STILL SOME UNRESOLVED DETAILS (AS WELL AS FORMAL SPANISH AND TURKISH RESERVATIONS), BUT IT IS CLEARLY AN INNOVATION WHICH THE COMMITTEE WANTS TRIED AND WHICH ITS BUREAU INTENDS TO PURSUE. BEFORE THE NEXT JOINT BUREAU MEETING, THE COMMITTEE CHAIRMAN WILL TRY TO ERASE THE SPANISH AND TURKISH RESERVATIONS, WHICH STEM FROM CONCERN THAT THE JOINT BUREAU MEETINGS WILL BE "RESTRICTIVE" IN UNCLASSIFIED

UNCLASSIFIED

PAGE 02 OECD P 15490 02 OF 04 161707Z

NATURE, I.E. NOT OPEN TO ALL NON-BUREAU MEMBERS. THIS IS, OF COURSE, THE INTENTION IN ORDER TO PROMOTE MORE EFFICIENT, INFORMAL AND FLEXIBLE ACTIVITY IN A SMALLER FORUM. HOWEVER, AS CHAIRMAN VAN SCHAİK AND OTHERS STRESSED, THE JOINT BUREAU WOULD IN NO WAY USURP ANY OF THE COMMITTEE'S DECISION-MAKING POWERS, AND THERE WOULD BE NO INTENTION TO EXCLUDE REPS FROM ANY COUNTRY WITH A BONA FIDE INTEREST IN THE SUBJECTS UNDER DISCUSSION.

6. IN CONNECTION WITH JOINT BUREAU IDEA, SWEDES PRE-EMPTED US BY BEING THE FIRST TO SUGGEST THAT, IF SUCH JOINT BUREAU MEETINGS ACCOMPLISH THEIR PURPOSE, IT MIGHT BE POSSIBLE TO REDUCE NUMBER OF ENVIRONMENT COMMITTEE MEETINGS TO TWO A YEAR. THIS IDEA MET WITH A GENERALLY POSITIVE RESPONSE. HOWEVER, THREE MEETINGS WILL CONTINUE TO BE THE RULE, PENDING ACTUAL IMPLEMENTATION OF AND MORE EXPERIENCE WITH THE JOINT BUREAU PROCEDURE. US ALSO PROPOSED THAT TWO COMMITTEE MEETINGS PER YEAR SHOULD PERHAPS BE OF FOUR DAYS DURATION TO PERMIT MORE POLICY-ORIENTED DEBATES.

7. A FINAL SIGNIFICANT DEVELOPMENT UNDER THE "STRUCTURE AND WORKING METHODS" HEADING WAS APPROVAL OF THE CONCEPT OF POSSIBLE "LEAD COUNTRY" ACTIVITIES IN CASES WHERE BOTH THE INTEREST EXISTS AND THE SUBJECT MATTER IS APPROPRIATE, AND WHERE SECRETARIAT RESOURCES ARE NOT AVAILABLE FOR A SPECIFIC PROJECT, THE CONCEPT IS SOMEWHAT DIFFERENT FROM THE CCMS PILOT COUNTRY PROCEDURE, SINCE AT LEAST THE SECRETARIAT EXPECTS THAT THE "LEAD COUNTRY" PHASE OF A PROJECT WILL CONSIST ONLY OF INFORMATION GATHERING AND EXCHANGING, WITH ANALYSIS AND DEVELOPMENT OF OPTIONS AND RECOMMENDATIONS TO BE ACCOMPLISHED IN COOPERATION WITH THE SECRETARIAT AND ALL MEMBER COUNTRIES. IN THE FIRST "TEST" OF THE CONCEPT, THE US PROPOSED THAT IT AND CANADA TAKE A JOINT LEAD

COUNTRY ROLE IN THE COLLECTION OF INFORMATION ON PRODUCTION AND USE OF FLUOROCARBONS AND RESEARCH DONE OR UNDERWAY ON THE ISSUE OF FLUOROCARBONS DAMAGE TO THE OZONE. A REPORT WOULD BE SUBMITTED TO THE NEXT COMMITTEE MEETING. THE US WILL ALSO SUBMIT COPIES OF THE FINAL IMOS REPORT TO THE COMMITTEE THROUGH THE AGREED UNCLASSIFIED

UNCLASSIFIED

PAGE 03 OECD P 15490 02 OF 04 161707Z

NOTIFICATION PROCEDURES.

8. THE NOTE OF THE AIR MANAGEMENT GROUP (AGENDA ITEM 7(II) AND A SIMILAR NOTE BY THE WATER GROUP, NOT INCLUDED ON THE AGENDA BUT CIRCULATED TO THE DELEGATIONS AT THE START OF THE SESSION, WERE CONSIDERED TOGETHER. THE US CHAIRMAN OF THE AIR GROUP AND THE DUTCH VICE CHAIRMAN OF THE WATER GROUP PRESENTED THEIR GROUPS' PAPERS. PARTICULARLY THE PROBLEMS OF THE WATER GROUP STRUCK A RESPONSIVE CHORD AMONG COMMITTEE MEMBERS (PRESUMABLY SINCE THE CONTINUING VIABILITY OF THAT GROUP SEEMED MUCH MORE IN DOUBT THAN THE AIR GROUP, DUE TO DWINDLING SECRETARIAT SUPPORT.) ALL THE PROBLEMS WERE NOT RESOLVED, ALTHOUGH THE GENERAL ROLE OF THE GROUPS' PARTICIPATIONS IN "HORIZONTAL" PROJECTS (SEE PARA 4 ABOVE) WAS CLARIFIED. IN ADDITION, RODERICK, AFTER PRESSURE FROM THE US DELEGATION, AGREED THAT WHERE SUCH PARTICIPATION WAS APPROPRIATE, ADEQUATE SECRETARIAT RESOURCES WOULD BE AVAILABLE TO SUPPORT SUCH ACTIVITIES BY THE GROUPS. THE FUTURE OF A COUPLE OF THE AIR GROUP'S PROJECTS REMAINS UNSETTLED, AS DOES FATE OF THE WATER GROUP'S PROJECT ON WATER MANAGEMENT POLICIES (THE THERMAL DISCHARGE PROJECT WAS AGREED TO BE A MAJOR ONE IN THE ENERGY AND ENVIRONMENT CONTEXT.) IN REGARD TO ALL PROJECTS, HOWEVER, THE SECRETARIAT WAS INSTRUCTED TO REVIEW THEIR RESPECTIVE REQUIREMENTS FOR AND THE AVAILABILITY OF RESOURCES, DISCUSS THE ISSUE FURTHER WITH

THE AIR AND WATER PEOPLE, AND REPORT ON THE MATTER TO THE
NOVEMBER MEETING OF THE ENVIRONMENT COMMITTEE.

9. THE DISCUSSION OF ENERGY AND ENVIRONMENT ISSUES
SAW THE SIX PROJECTS AND THE PRIORITIES SELECTED BY THE
STEERING GROUP AND TASK FORCE FOR 1975 (ENV(75)25)
ACCEPTED. THERE WAS CRITICISM EXPRESSED BY SOME DELE-
GATIONS ABOUT THE RANKING OF PRIORITIES, THE OMISSION OF
THIS OR THAT SUBJECT, AND THE APPARENT LACK OF A
UNNIFYING THEME. SOME DELEGATIONS ALSO EXPRESSED THE
DESIRE TO HAVE THE PROGRAM MORE FORWARD-LOOKING AND LESS
TIED TO CURRENT, "TECHNICAL-TYPE" ISSUES. HOWEVER, THE
ONLY CHANGE DEFINITELY AGREED ON WAS THAT THE TASK FORCE
WOULD DO WHAT IT COULD TO INCLUDE SOME CONSIDERATION
OF THE MICRO- AND MESO-CLIMATIC EFFECTS OF HEAT AND OTHER
DISCHARGES IN THE PROJECT ON POWER PLANT SITING. IT WAS
UNCLASSIFIED

UNCLASSIFIED

PAGE 02 OECD P 15490 03 OF 04 161714Z

ADDITIONALLY AGREED THAT, APROPOS POWER PLANT SITING,
THE SCOPE WOULD BE NATIONAL, NOT ISOLATED INDIVIDUAL
PLANTS AS SET OUT IN ANNEX I(I)(B) TO THE SECRETARIAT
PAPER.

10. THE 1976 ENERGY AND ENVIRONMENT PROGRAM OF THE
COMMITTEE WILL BE KEPT QUITE FLEXIBLE UNTIL IT IS
CLEARER WHAT PROBLEMS, IDEAS, SUGGESTIONS COME OUT OF

THE TASK FORCE'S ACTIVITIES. THERE WAS, THEREFORE, NO DISCUSSION OF THE 1976 PROGRAM, AND IT WAS AGREED THAT SUCH A DISCUSSION AND DECISIONS WOULD BE A PROPER SUBJECT FOR THE NOVEMBER MEETING, AT WHICH TIME THE COMMITTEE WOULD PRESUMABLY HAVE SEMI-FINAL REPORT (AND RECOMMENDATIONS) FROM THE STEERING GROUP/TASK FORCE. THERE WAS NO DISCUSSION OF THE FUTURE OF EITHER OF THESE TWO LATTER GROUPS, ALTHOUGH IT IS CLEARLY ANTICIPATED THAT THERE WILL BE SOME TYPE OF CONTINUING ENERGY AND ENVIRONMENT GROUP UNDER THE COMMITTEE.

11. LASTLY, THERE WAS CONSIDERABLE DISCUSSION OF THE NECESSITY OF GOOD COORDINATION AND COOPERATION BETWEEN THE COMMITTEE AND THE NEA AND IEA ON ENERGY AND ENVIRONMENTAL ISSUES - BOTH IN RELATION TO THE PROJECTS THE COMMITTEE IS UNDERTAKING AND THOSE ACTIVITIES OF THE LATTER TWO GROUPS THAT HAVE ENVIRONMENTAL IMPLICATIONS. THE DIRECTORATE WAS NOT AS SANGUINE CONCERNING THE COMMITTEE'S RELATIONS WITH THE IEA AS THE DELEGATIONS WISHED. IT WAS THUS AGREED THAT THE BUREAU AND THE DIRECTORATE WOULD MAKE A CONCERTED EFFORT WITHIN THE OECD SECRETARIAT TO CLARIFY THE MATTER, EXPRESSING THE CONCERNS AND INTEREST OF THE COMMITTEE, AND REPORTING BACK TO THE COMMITTEE IN NOVEMBER.

12. ON OTHER SUBJECTS, THE JAPANESE AND GERMAN PROPOSALS FOR COUNTRY REVIEWS WERE BOTH FAVOURABLY RECEIVED AND ACCEPTED IN PRINCIPLE, IT BEING RECOGNIZED THAT THE TWO THEMES WERE COMPLEMENTARY. HOWEVER, THEIR BROAD CONCERN WAS ABOUT HAVING BOTH TAKE PLACE IN THE SAME YEAR (1976), AS WELL AS WITH THE ISSUE OF WHAT SECRETARIAT RESOURCES MIGHT BE REQUIRED. AS BETWEEN THE TWO PROJECTS, THE SECRETARIAT VOLUNTEERED, AND THE COMMITTEE TACITLY AGREED, THAT THE JAPANESE ONE MIGHT UNCLASSIFIED

UNCLASSIFIED

PAGE 03 OECD P 15490 03 OF 04 161714Z

BE OF MOST IMMEDIATE RELEVANCE SINCE IT IS INTENDED TO DEAL WITH THE IMPLEMENTATION OF THE GUIDING PRINCIPLES IN A PRACTICAL FRAMEWORK. IT WAS AGREED THAT THE TWO COUNTRIES WOULD SEE WHAT FLEXIBILITY THEY HAD RE-SCHEDULING, COORDINATE WITH EACH OTHER AND THE SECRETARIAT AND PLACE THE MATTER BEFORE THE COMMITTEE AGAIN IN NOVEMBER.

13. THE CONFERENCE ON "BETTER TOWNS WITH LESS TRAFFIC" (AGENDA ITEM 8(I)) RECEIVED UNANIMOUSLY FAVORABLE COMMENT AND THE PROPOSED FOLLOW-UP ACTIVITIES WERE AGREED UPON. THERE WAS, HOWEVER, NO REAL DISCUSSION OF THE FOLLOW-UP CONFERENCE PROPOSED BY THE US, IT BEING AGREED THAT THIS WAS SOMEWHAT PREMATURE. CONCERNING THE URBAN GROUP'S

PROGRAMS, THERE WAS CONSIDERABLE CONFUSION AND DEBATE
ENGENDERED BY THE ACTION PAPER (ENV(75)23) AND THE FACT
THAT THE BRITISH PROPOSAL FOR A PROJECT ON ASSESSMENT
OF INNOVATIONS IN COMPREHENSIVE URBAN POLICIES WAS NOT
DESCRIBED IN ANY DOCUMENTATION - OR ORALLY - IN ENOUGH
DETAIL FOR THE COMMITTEE TO EVEN DISCUSS IN A LUCID
MANNER. ALSO, MANY OF THE DELEGATIONS TOOK ISSUE WITH
THE URBAN GROUP'S APPARENT PROPOSAL TO DELAY IMPLEMENTING
THE ALREADY AGREED ACTIVITY ON THE ENVIRONMENTAL CON-
SEQUENCES OF SIGNIFICANT PUBLIC AND PRIVATE PROJECTS.
(IT WAS, AT THE SAME TIME PROPOSED THAT THE SUB COMMITTEE
OF ECONOMIC EXPERTS MIGHT WELL, AND APPROPRIATELY,

LEND A HAND IN FURTHER WORK ON THIS PROJECT.) AT THE
END, IT WAS AGREED NOT TO DROP OR DELAY THE PROJECT, TO

INCORPORATE THE PROJECT ON MANAGEMENT OF PUBLICLY OWNED LAND IN URBAN AREAS INTO THE 1976 PROGRAM, AND TO HEAR MORE DETAILS FROM THE UK ABOUT ITS PROPOSED COMPREHENSIVE URBAN STUDY AT THE NOVEMBER MEETING. (IT WAS MORE OR LESS CONCEDED THAT IT WILL THEN PROBABLY BE TOO LATE TO CONSIDER IT FOR ANYTHING BUT THE 1977 PROGRAM.)

14. ON THE ISSUE OF FOLLOW-UP TO THE PART II PROJECT ON THE LONG RANGE TRANSPORT OF AIR POLLUTANTS, NORWAY TOOK THE LEAD IN ARGUING THAT THE ISSUE SHOULD NOT BE STUDIES TO EXTINCTION BEFORE MEMBERS START CONSIDERING TAKING ACTION. THE IMPORTANT ISSUE NOW IS TO CONSIDER THE EFFECTS, A POINT OF VIEW WITH WHICH THERE WAS GENERAL AGREEMENT. THERE WAS REFERENCE TO THE BROADER UNCLASSIFIED

UNCLASSIFIED

PAGE 02 OECD P 15490 04 OF 04 161712Z

NTURE OF THE ISSUE (IE, EASTERN EUROPEAN COUNTRIES BEING PART OF THE PICTURE), AS WELL AS TO THE ACTIVITIES BEING CARRIED OUT IN THE ECE FRAMEWORK. ALL AGREED THAT THE ISSUE WAS ONE REQUIRING BROAD COOPERATION AND WITH NORWAY'S REQUEST THAT FURTHER ACTION NOT BE FORMALIZED IN ANY PARTICULAR INSTITUTIONAL FRAMEWORK UNTIL AFTER THE 1976 SCIENTIFIC CONFERENCE NORWAY IS HOSTING TO REVIEW THE WHOLE ISSUE.

15. ON TRANSFRONTIER POLLUTION, AS A RESULT OF A US INTERVENTION QUESTIONING THE VALUE OF THE PROPOSED PROJECT ON TRANSFER OF TOXIC WASTES, JOINED BY OTHERS' COMMENTS ABOUT THE OTHER TWO AREAS FOR "CONCRETE" ACTIVITIES (PARA 3 OF ENV(75)24), IT WAS AGREED THAT THE TFP GROUP WOULD DEVOTE ITS ATTENTION PRIMARILY TO THE SUBJECT OF JOINT MANAGEMENT OF SHARED RESOURCES, WITH DECREASING PRIORITIES GIVEN TO THE OTHER TWO PROPOSED SUBJECTS.

16. THERE WAS AGREEMENT TO DERESTRICT THE STUDY ON COMPARATIVE REVIEWS OF MANAGEMENT OPTIONS, BUT TIME PERMITTED NO DISCUSSION ON THE SUBSTANTIVE ISSUES RAISED. EQUALLY, THERE WAS NO DISCUSSION ON THE SUBSTANCE OF THE ISSUES INVOLVED IN THE WITHERING PROJECT ON POLLUTION CONTROL COST DATA, DESPITE A PLEA BY THE SECRETARIAT, SECONDED BY THE US, THAT SUCH STUDIES CAN CAN AND SHOULD BE AN IMPORTANT PART OF THE COMMITTEE'S LONGER TERM ACTIVITIES.

17. THE MEDITERRANEAN PILOT STUDY REPORT WAS HIGHLY PRAISED, AND RECOMMENDED FOR DERESTRICTION AND PUBLICATION, INCLUDING PARTICIPANT COUNTRY MONOGRAPHS. THE UNEP REPRESENTATIVE GAVE A DETAILED PRESENTATION ON THAT

ORGANIZATION'S MEDITERRANEAN ACTIVITIES AND SAID HE
WOULD BE MOST PLEASED TO HAVE THE OECD STUDY MADE
AVAILABLE ASAP. FINALLY, IT WAS AGREED THAT, IT WAS
NOT APPROPRIATE TO SUBMIT THE DRAFT RECOMMENDATIONS OF
THE REPORT TO THE URBAN GROUP FOR CONSIDERATION AND
REWORKING, AS THE STUDY WAS WELL BEYOND THE LATTER'S
FIELD OF ENQUIRY. INSTEAD, THE COMMITTEE'S BUREAU
UNCLASSIFIED

UNCLASSIFIED

PAGE 03 OECD P 15490 04 OF 04 161712Z

WILL REVIEW THEM AND MAKE SUGGESTIONS TO THE
NOVEMBER SESSION CONCERNING FURTHER ACTIVITY IN THE
AREA OF COASTAL MANAGEMENT.

18. THE WILDLIFE SAMPLING PROJECT RECEIVED A COMMIT-
MENT FROM THE SECRETARIAT THAT RESOURCES WOULD BE ADE-
QUATE DURING 1976 TO HANDLE ITS LIMITED REQUIREMENTS.
IT WAS ALSO SUGGESTED THAT THE PARTICIPATING COUNTRIES
CONSIDER A NEW SAMPLING CYCLE FOR 1977, SKIPPING 1976,
AND THAT EVENTUAL TURN-OVER TO UNEP WILL BE DESIRABLE
AND POSSIBLE.

19. THE EUTROPHICATION PROJECT WILL BE SUBJECT OF A
WORKSHOP IN VIENNA THIS FALL, AFTER WHICH THE COMMITTEE
WILL BE INFORMED WHAT WILL BE REQUIRED FOR THE MAJOR
ANALYTICAL WRAP-UP WHICH WILL BE APPROPRIATE IN 1977.

20. NEXT MEETING, NOVEMBER 12-14, 1975.
